Sir:

In response to the Office Action dated December 21, 2005, please consider the remarks as submitted herewith on the accompanying pages.

REMARKS

Claims 1-6, 8-16, 19, 21, 23, 24, and 26 are all the claims pending in the application. All of the claims stand rejected as being unpatentable over Campbell (USP 6,839,850) in view of Hayman (USP 5,859,966). Applicant respectfully traverses the pending rejection for the reasons detailed below.

Preliminary, Applicant notes that Campbell and Hayman relate to two different security domains so as to address different network problems. It appears that rather than considering what these references would teach an artisan in the art, what is provided is a selective recitations
